Ask about sauce flavours from your server

We do our best to consider allergies and special diets, and we cook our gluten-free and vegan dishes in separate deep-fat fryers. However, since all of our food is cooked in the same kitchen, we can't guarantee that it's 100% allergen-free. Additional information on ingredients that cause allergies and intolerances is available from the staff.

**L** = lactose-free  
**G** = gluten-free  
**LL** = low-lactose  
**VEG** = vegan
